All serial numbers and registration codes below also work with EViews Lite. Sequence of User Ids for EViews 9 Student Edition

Please note that only Student Edition serial numbers are valid. The Student Edition software can only be registered once. I'm not sure if I correctly did the registration for the Eviews version. I double clicked on the "Eviews Student Edition" and typed in my serial number in the "serial" field. I assumed then when I clicked the "Next" button it registered the software. However, it didn't register. When I tried to open the registration, I had to choose the location from which I have downloaded. However, it didn't ask for the location of where I downloaded. I have tried all the solutions given here on the forum. I even have a copy of the installer downloaded from here. I don't want to pay for the version that I can use but still I have no success registering. I even am looking for a serial number of the student edition of Eviews to make it. Any help is much appreciated. My serial number for the Student Edition of Eviews is: 42653-QTR3-8E. I have already registered using a serial number of 42653-QTR3-8E but still can't open the registration screen. I have tried the suggestions given here on the forum, but no luck. I have already tried both versions of the Student Edition and neither of them work. This is a Windows machine and I have the Mac version of Eviews 5. But the registration screen says I have version 9 Student Edition. How can I register? I have tried all the suggestions on the forum and none work. Any f678ea9f9e
